

## TRADITIONAL ESPRESSO COFFEE MACHINES

# PRESIDENT GTi

A/2

A/3

A/4

Design by Giugiaro

Designed for those who always look to the future without ever renouncing tradition, Faema's new machine, President, revisits the iconic models of the '60s offering cutting-edge technology. It is a machine in which past and future closely coexist, resulting in a sophisticated product that is not only capable of enhancing locations thanks to its restyled design, but also of distinguishing itself in terms of quality thanks to its innovative features.
